

A still life photograph featuring a collection of silver flatware, including knives, forks, and a spoon, arranged on a blue textured cloth. To the left, a light blue bowl is filled with dark blueberries, with a silver spoon resting inside. The background is a dark, solid color, creating a sophisticated and elegant atmosphere.

Dramatic beauty and perfect balance

We have created a unique pattern unrivalled in its beauty and comfort. Goddess features extreme transitions between its narrow and wide forms. The elegantly-curved neck area allows this flatware to be thin, yet remain extremely strong. One of Goddess' most notable design features is the unconventional stand-up knife. The form of the knife transitions elegantly from the vertical blade to the horizontal handle, creating a work of art that is sure to capture the attention of your dinner guests. Goddess is made with premium stainless steel and is guaranteed to last for years to come.

20 pc set

2 inners/Master

A Baroque classic, reinterpreted

To create this exquisite and unique pattern, our design team took inspiration from Baroque flatware. In order to make the pattern truly contemporary, all the flourishes and embellishments were wiped clean, leaving only the delightful silhouette of the flatware handles. A truly formal look is maintained, but the contemporary styling also makes Old World flatware versatile enough for everyday meals. Like all Gourmet Settings patterns, Old World has been meticulously designed, engineered and tested to be perfectly weighted and balanced, ensuring optimal performance and comfort you have to feel to believe. Old World is made with premium stainless steel and is guaranteed to last for years to come.

2 inners/Master

Victorian flatware, reimagined

Inspired by 19th Century beaded flatware, made popular in Victorian England, Nouveau is a reimagining of a classic. Our designers have given this exceptional pattern a contemporary look by progressively spacing the beads that frame the handles. Nouveau's dots dance elegantly around the teardrop shaped flatware handles. Like all Gourmet Settings patterns, Nouveau has been meticulously designed, engineered and tested to be perfectly weighted and balanced, ensuring optimal performance and comfort you have to feel to believe. Nouveau is made with premium stainless steel and is guaranteed to last for years to come.

Classical meets contemporary

This pattern is the perfect intersection of classical forms and the simple elegance of contemporary flatware. Our designers have taken the big and beautifully rounded curves of classic flatware design and simplified them. The result is a truly sexy pattern with elegance, sophistication and modern style. It's perfectly polished finish reflects undeniable European grace. Like all Gourmet Settings patterns, Lyric has been meticulously designed, engineered and tested to be perfectly weighted and balanced, ensuring optimal performance and comfort you have to feel to believe. Lyric is made with premium stainless steel and is guaranteed to last for years to come.

Savannah

Modern Elegance and classical beauty

Savannah's clean, modern lines and perfectly polished finish work with anything you serve up – from a simple soft-boiled egg to the most ornate gastronomic adventure. It also boasts a huge selection of matching serving pieces and accessories so that your table can be fully appointed in Savannah style. Like all Gourmet Settings patterns, Savannah has been meticulously designed, engineered and tested to be perfectly weighted and balanced, ensuring optimal performance and comfort you have to feel to believe. Savannah is made with premium stainless steel and is guaranteed to last for years to come.

Anise

A gently sculptural modern favorite

Anise's soft contours and brilliantly polished finish are perfectly suited to a contemporary home. Perfectly balanced, Anise feels great in your hand – you'll want to run your fingers down its stems and rest your thumb in its signature handle grooves. Its gently linear style is the perfect finishing touch to a modern table setting. Like all Gourmet Settings patterns, Anise has been meticulously designed, engineered and tested to be perfectly weighted and balanced, ensuring optimal performance and comfort you have to feel to believe. Anise is made with premium stainless steel and is guaranteed to last for years to come.
