

L'Objet
Haas Brothers

The L'OBJET Haas Brothers collection is a meeting of imaginative minds and skilled hands. Inspired by the otherworldly landscape of Joshua Tree, the Los Angeles-based artists Simon and Nikolai Haas worked in close collaboration with Elad Yifrach, Founder + Creative Director, and the master craftsmen at L'Objet to create a collection that spans tableware, home décor, textiles, and fragrance.

“We both believe in relationships with objects. People need objects — we develop a relationship with objects we use and it’s a relationship that can be profound,” Simon Haas explains. “If they have a character and they talk back to you in some way, then that relationship becomes stronger and stronger. Our goal with this collaboration was to create a collection that fosters a strong relationship between these objects and the people who use them.”

Yifrach continues: “This collaboration has been a mind-expanding experience for our entire design team. Function is our guiding principle at L'Objet; we make sure our designs are not only beautiful to look at but are beautiful to use. We learned from the brothers to start with the dream and allow the function to emerge. I feel we inspired them in return with our rigor and diligence.”

Together, they have brought to life a family of characterful creatures with the highest quality of finish and function. These are objects to be cherished. In using them, everyday moments become memorable; the ordinary becomes extraordinary.

Lynda is an exquisitely decorated yet secretive creature, who likes to hide treasure in her 24-karat gold belly. She rewards anyone brave enough to come close to discover the surprise of what she keeps within.

Celestial Octopus Trays

HB166 WHITE / 18.25 x 13" - 46 x 33cm / Limited Edition of 500

The Celestial Octopus is one of Joshua Tree's more poignant creatures. These intelligent beasts evolved in ancient times when the water dried up, leaving us with the Mojave Desert. They took to the skies, where you occasionally see them float and hover at dusk.

HB266 MULTI-COLOR / 18.25 x 13" - 46 x 33cm / Limited Edition of 100

Second Skin Vessel Series

In order to survive the punishing conditions of the Mojave Desert, the most resilient of creatures from the Haas monster family developed a magical second skin. Forming protection from the harsh sun and bitter nights, they glimmer by day and pulse by night.
