MOON-INSPIRED DESIGN

PERFECT FEEL MEETS UNUSUAL SHAPE

Endless fascination. The modern, progressive NewMoon collection features an understated, crescent-like shape. Its asymmetric design is inspired by the phases of the moon. Clear lines meet an unusual look and feel. The gloss of the glaze accentuates this breathtaking look even more. Expressive, pure and unconventional – from the tableware to the cutlery through to the glasses.

NEWMOON

A NEW DIMENSION IN DESIGN

Pure perfection. The asymmetric contours of the new NewMoon trend collection reflect the outlines of the moon becoming a new moon. The sleek white makes the fine Premium Porcelain shine in almost mystical splendour while providing a breathtaking stage for the unique design.

PERFECTION OUT OF THIS WORLD

WELL-DESIGNED DETAILS

- Premium Porcelain
- Made in Germany
- Modern understated design inspired by the crescent moon
- Dishwasher-safe and microwave-safe
- Can be beautifully combined with the complete Manufacture collection

NEWMOON GLASS

EXPRESSIVE ASYMMETRY

Fascinatingly modern, clear and unprecedented. The NewMoon glasses made from high-quality crystal glass and with an unconventional sloping rim make a confident design statement. The unusual design adds a modern and futuristic highlight to any table. Perfectly complementing the NewMoon Premium Porcelain and NewMoon cutlery.

NEWMOON CUTLERY

THE FASCINATION OF THE MOON

Discover the expressive power of pure and understated design. The innovative shape of the NewMoon cutlery turns every meal into a tactile experience. Thanks to the unique triangular ergonomic form, the cutlery sits comfortably in the hand and is perfect for both left- and right-handed diners.
