Old St. Nick *NEW ADDITIONS*

VIETRI's signature holiday collection is a celebration of nostalgia, family, and holiday spirit. When maestro artisan Alessandro Taddei was a small boy, his mother read him stories about Babbo Natale, Italy's Santa Claus. Alessandro transforms those memories into whimsical and joyful designs that portray Old St. Nick's happy adventures during the holiday season.

Book 2

The Magic of Old St. Nick: Good Friends, Good Earth

This Christmas Day tale involves Old St. Nick and his forest friends, their love for each other and children around the world, and their appreciation of the earth. Upon returning from his annual trip around the world, bringing joy to those near and far, Nick is delighted to find his forest friends waiting for him eager to hear about his travels and exchange gifts. The charm of this second book in the Old St. Nick series lies in the passion that both Susan Gravely and Alessandro Taddei feel for protecting and preserving nature for generations to come, and to honor the spirit of joy, magic, and generosity personified in Babbo Natale.

Foresta *NEW ADDITIONS*

(for est ah): forest

Let incredible detail, texture, and shape take center stage this holiday season with Foresta, created by maestro artisan Stefano Roselli. Stefano reimagines the snow-capped pines overlooking il Lago di Como in this assortment of sculptural trees, and the result is a magical winter wonderland. The trees are decorated with ornaments, stars, and birds, and some are designed to place a candle inside for a luminous effect.

HANDCRAFTED OF TERRA BIANCA IN TUSCANY. BATTERY POWERED TEALIGHTS ARE RECOMMENDED INSIDE PIECES WITH HOLES.

Wipe with damp cloth to clean.

PERLA NECKLACES

The Perla Necklace is a striking, unique piece with a wonderful story. VIETRI Founder Susan Gravelly came across a beautiful mesh and pearl necklace in Milan in 1985. She asked her dear and talented Florentine friend, Tita Bosio, if she might be able to recreate it so that VIETRI could sell something similar. Tita sourced the pearls very easily, but the mesh netting seemed hard to find. She scoured markets and shops to no avail. Not to be deterred, Tita eventually found what she was looking for in an automobile repair shop! She created the bestselling necklaces for VIETRI for many years, and eventually the product was retired. We are delighted to bring the necklaces back, and they are now handmade by Tita's daughter-in-law.
