Hoptimist®

SINCE 1968

Make everyday a little more joyful

A HOPTIMIST IS ALL ABOUT SMILES, OPTIMISM AND HIGH SPIRITS

Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history. Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.

Hans Gustav Ehrenreich

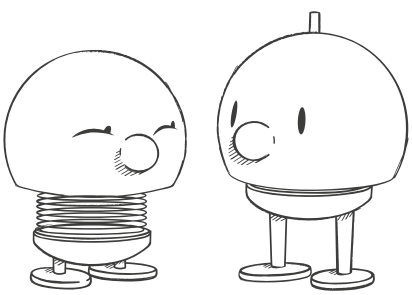

Before the Hoptimists saw the light of day, Danish cabinetmaker Hans Gustav Ehrenreich would tinker in his workshop in the house on Aarhusvej in Stilling, Denmark. It was the late 1950s, and in the small "Ehrenreichs Trækunst" workshop, imagination ran high. No two things were ever the same. Small silverfish were transformed into inlays in hand-turned bowls and plates, and unique wooden art items from all over the world were sold from the workshop.

Ehrenreich created the first prototypes for Birdie, Bimble and Bumble in the late 1960s. In the spirit of that time, it was bright colours and harmonious, round shapes that characterised the first bouncy friends. Bimble is the dress-clad girl with the smiling eyes, and Bumble is the ever-alert boy with wide-open eyes and a small stick-hat atop his head.

The Forest Stewardship Council™ (FSC™) is a global, not-for-profit organization dedicated to the promotion of responsible forest management worldwide. FSC defines standards based on agreed principles for responsible forest stewardship that are supported by environmental, social, and economic stakeholders. To learn more, visit www.fsc.org. By choosing a FSC-certified product, you are supporting responsible management of the world's forests.

Many of Hoptimist's products in this catalogue are made from FSC-certified wood.
You can easily find them by looking for the small FSC-label by the product.

The mark of
responsible forestry

Look for our FSC-certified products.

Soft Collection

Our Soft Collection consists of a selection of mellow colours with soft surfaces, that perfectly match our round and harmonious Hoptimist.
These colours are an easy match to most home interiors.

Wood Collection

Gustav Ehrenreich originally wanted to make his Hoptimists out of wood.
We have realised his dream, and today we make our Hoptimists from oiled oak, smoked oak, untreated oak, and black stained oak.

MAKE EVERY DAY A LITTLE MORE JOYFUL

No two Hoptimists are exactly the same. Each and every Hoptimist is hand assembled and therefore they each have some degree of uniqueness.

You can be absolutely certain, that all Hoptimists are equally Joyful, however they may have smaller variance in height, direction etc. This is due to spring variations and the individual assembly.

If you are unlucky to receive a Hoptimist, that is not up to standard, or have suffered damage during transport, we are here to help you, by replacing or crediting the product.

Please send us a short email on info@fh-as.dk. If you are able to attach pictures, we do appreciate it greatly. We are keen to learn from our mistakes and pictures help us to fully understand the issue at hand.
