STEWART

Martha Stewart is the icon of obtainable luxury, bringing high-class style to everyday homes. Through curated home décor, effortless recipes, and expert entertaining tips, she makes elegance accessible to all. As the original influencer, Stewart set the standard for modern lifestyle branding long before social media. Her ability to blend style with practicality has inspired generations to elevate their homes with creativity and grace. With 100 books to her name — including her latest, *Martha: The Cookbook* — she continues to redefine hosting, cooking, and decorating as an art form. Her home and housewares collections remain as relevant as ever, thriving in both stores and online.

Among her esteemed partners, Gibson Homewares is honored to receive the 2024 Partner of the Year award from Martha Stewart. From product design to marketing, Gibson has worked closely with Stewart's team to develop high-quality kitchen and dining essentials, expanding the brand's retail footprint and bringing her vision of beautiful, functional living to more homes than ever.
